Thank you for your letter of Jan. 3 and the copy of the 40,000 signatures supporting MRC Action's pledge to pursue balanced news coverage of the upcoming election.

We fully share your commitment to balanced coverage. We understand the importance of reporting that is free from slant. I can assure you we are every bit as vigilant as you are about this, and while no organization is perfect, we strive constantly for a news report that is accurate and fair, and for commentary and editorial content that is clearly labeled and distinct.

Sincerely,
